Certificate course (Module 4&5) | HKOA annual Congress |
| Saturday IHM | HK International orthopaedic Forum | HK-
Beijing Hand Meeting

Certificate Course (Module 4)

Date: 23rd October, 2021

Format: Zoom Meeting

Time: 10:30-12:30

Course fees: Free of charge

The Module 4 of the certificate course was on "Arthritis of Hand and Upper Extremity". There were 93 participants.

HKOA Annual Congress

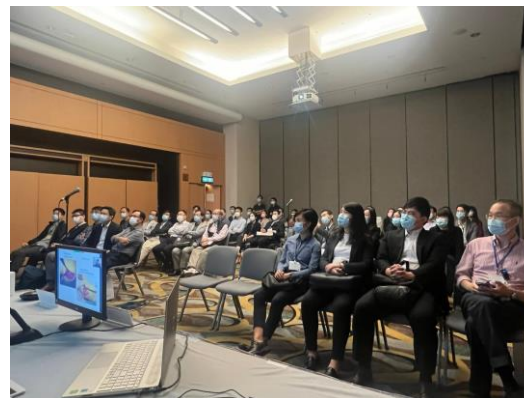

Date: 6th – 7th November, 2021

Venue: Hong Kong Convention and Exhibition Centre

Invited overseas speaker: Prof. Bernard Morrey;
Prof. In-Ho Jeon

Invited Local speaker: Prof. Frankie Leung

This year HKSSH had a free paper session, a concurrent session and 2 plenary lectures in the HKOA annual congress. The theme of our concurrent session was "Elbow" and it had attracted many audiences. We had invited Prof. Bernard Morrey who delivered a plenary lecture "OA elbow in young physically demanding patients" and Prof. In-Ho Jeon who delivered a plenary lecture "Complications of elbow instability treatment: how to avoid?"

HK international orthopaedic Forum

Date: 28th November, 2021

This was the first time HKSSH joined the HK international orthopaedic forum as a supporting organization, together with the APOA hand and upper limb society.

The meeting was held in a hybrid-format. The HKSSH members contributed to the hand and wrist session of the program.

Saturday Interhospital Meeting

Date: 15th January, 2022

Format: Zoom

In this Saturday Interhospital Meeting hosted by HKSSH, we had discussed about difficult elbow conditions, including radial head fixation, radial head replacement, and complications associated with total elbow replacement. We had invited Prof. Bernard Morrey, Prof. In-Ho Jeon and Prof. Frankie Leung to join our meeting. The meeting was very successful and had attracted 270 participants.

Certificate Course (Module 5)

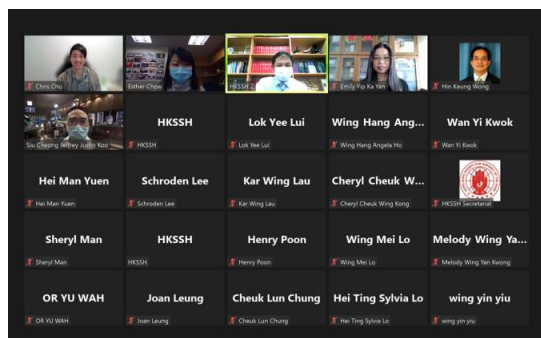

Date: 15th January, 2022

Format: Zoom Meeting

Time 10:30-12:30

Course fees: Free of charge

The Module 5 of the certificate course was on Radiology and Rehabilitation. There were 130 participants.

Beijing-Hong Kong Hand Meeting

Date: 22nd January, 2022

It was the 4th Beijing-Hong Kong Hand Meeting since 2017. In the light of the COVID pandemic, the

meeting for this year has been changed to an online meeting. 6 hand experts from Beijing joined the meeting as speakers. Together with 6 speakers from HKSSH, a fruitful program was conducted on the morning of 22nd, January, 2022. There were total 9000 participants who joined the meeting and it was a successful one.
